## 2017-2018 REGISTRATION INFORMATION GRADUATION REQUIREMENTS

**All students graduating from Roy High School must:**

1. Earn 27 total credits. 18.5 credits of state core and 8.5 elective credits. See chart below. Career assessment and guidance is offered to students to assist them in designing a course of study that will meet their individual needs. Students have the opportunity to complete a variety of preparation courses. All students are encouraged to enroll in courses which provide for the development of specific job skills, prepare them for post high school education and provide enrichment to life. Requirements are outlined in the chart below.
2. Maintain cumulative attendance credit loss of .75 or less. Attendance credit losses beyond .75 must be made up according to Weber School District policy.

---

### REQUIREMENTS/RECOMMENDATIONS FOR GRADUATION

Unless the College and Career Ready Plan (CCR) calls for different arrangements,  
Each student must successfully complete the following requirements in grades 9-12.

State Core Requirements	Graduation Requirement	Recommended requirements for post high school programs
CAREER TECHNOLOGY	1 CREDIT	1 CREDIT
COMPUTER TECHNOLOGY	.5 CREDITS	.5 CREDITS
ENGLISH (9, 10, 11,) Lang Elective	4 CREDITS	4 CREDITS
FINE ARTS (PERFORMING/VISUAL)	1.5 CREDITS	1.5 CREDITS
FOREIGN LANGUAGE		
GENERAL FINANCIAL LITERACY	.5 CREDITS	.5 CREDITS
HEALTH	.5 CREDITS	.5 CREDITS
PHYSICAL EDUCATION/FIT FOR LIFE	1.5 CREDITS	1.5 CREDITS
MATH	3 CREDITS	4 CREDITS
SCIENCE	3 CREDITS	4 CREDITS
SOCIAL STUDIES	3 CREDITS	3.5 CREDITS

One year of physics or chemistry and two years of foreign language are required at some universities & recommended at others.

**Note: It is the responsibility of every student and their parent/guardian to make sure core and graduation requirements are met.**

## COURSES MEETING THE CRITERIA FOR GRADUATION REQUIREMENTS – UPDATED JUNE 13, 2016 3 CREDITS OF MATH, 3 CREDITS OF SCIENCE AND 4 CREDITS OF ENGLISH

### LANGUAGE ARTS-THREE COURSES FROM THE FOUNDATION LIST PLUS ONE FROM THE APPLIED AND ADVANCED COURSES LIST

Foundation Courses	Applied or Advanced Courses	
English 9 / English 9 Honors	English 12 Language Arts	College Prep Language Arts
English 10 / English 10 Honors	Creative Writing 1 & 2	Business Communication (sem)
English 11 / English 11 AP	Journalism 1 and 2	World Languages 3,4, 5, or AP
Concurrent Enrollment Courses**	Debate	
AP Literature and Composition**		
AP Language and Composition**		

### MATHEMATICS-Secondary Math 1, 2 and 3 are required. Secondary Math 3 can be replaced by an Applied or Advanced Course with written parent request.

Foundation Courses	Applied or Advanced Courses	
Secondary Math 1/Secondary Math 1 Honors	College Prep Math	Mathematical Decision Making for Life
Secondary Math 2/Secondary Math 2 Honors	Calculus AB or BC (AP courses)	Accounting 1 and 2 (sem)
Secondary Math 3/Secondary Math 3 Honors	AP Statistics	
Pre-calculus	Computer Programming	
	Concurrent Enrollment Courses (1010, 1030, 1040, 1050 or 1060)	

### SCIENCE-A total of 2.0 credits are required from two of the five areas of science on the Foundation Course list **plus** 1.0 credit from the Foundation Courses list **OR** the Applied and Advanced Courses list.

Foundation Courses		
Biological Sciences	Chemistry	Earth Sciences
Biology	Chemistry	Earth Science
Bio-Agricultural Science	Chemistry Honors	AP Environmental Science
	Concurrent Enrollment Chemistry	
Computer Science		Physics
Computer Programming 2		Physics
		Physics with Technology
		AP Physics

**Check with colleges and universities to see if they will accept classes from the Applied and Advanced lists for English, Math and Science credits.**

Applied or Advanced Courses		
Agricultural Science	Geology	Medical Anatomy and Physiology
Animal Science 1 or 2	Natural Resource Science	PLTW Digital Electronics
Astronomy	Plant and Soil Science	PLTW Principles of Engineering
Genetics	Veterinary Assistant	

## New classes offered 2017-2018

This is a list of new classes offered for the 2017-2018 year. Please see appropriate department for details.

DEBATE III (English Department)

INTERMEDIATE CERAMICS (Art Department)

INTRO TO CORRECTIONS (Law Enforcement)

ENGLISH 2200 (English Department)

### ADDITIONAL COURSES

<i>Course #</i>	<i>Course Title</i>	<i>Grade</i>	<i>Length</i>	<i>Fee</i>	<i>Credits</i>	<i>Comments</i>	<i>Course Description</i>
23910	AP Contract	10,11,12	Year				Student must be enrolled in at least 2 AP classes. Must maintain a B in AP classes.
23930	Early College	12		X			Contact HS counselor & WSU Early College office prior to enrollment year. Credit from WSU
79214	Work-Based Internships	11,12	Sem			CWS packet required	Seniors who have successfully completed at least 2.0 credits in their identified Pathway may be eligible for an Internship.
	Off Campus/ATC	11,12		X			SEOP required. Open entry/exit. Options are: Ogden Weber/ ATC, Davis/ ATC and private cosmetology programs etc.
23960	Peer Tutoring	10,11,12	Sem			Signature	Tutors Roy students with disabilities. Interview required.
78010	Seminary	10,11,12	Year				Released Time/ Seminary
77221	Student Government	10,11,12	Year				This course is for students who have been elected to student government offices.
23300	Latinos In Action	10,11,12	Year				Service oriented program for bilingual and non-bilingual students. Students serve as paraprofessional tutors at the elementary schools, learn about leadership skills, culture, advantages of bilingualism, provide service in the community, develop resumes & prepare for opportunities of furthering their education. 2.0 GPA and regular attendance required. Required to participate in a cultural event.

32262	A Cappella (Male Chorus) (TTB)	10,11,12	Year	\$15.00	Fine Art		A mixture of men's A cappella, Rock, and traditional choir. Learn music basics and beginning keyboard skill. Outside performance required.
32300	A Cappella (Mixed Chorus)	10,11,12	Sem	\$15.00	Fine Art		For those advanced beyond Men's & Ladies Chorus but not yet ready for the more advanced Royal Choir. Second semester only.
32363	Hand bell Choir	10,11,12	Year	No Fee	Fine Art		Designed to give students a unique opportunity in receiving fine arts credit. Music experience helpful, but not necessary. All training will be done in class. Participation in concerts & extra performances at holidays.
32250	Drama 1	10,11,12	Year	\$15.00	Fine Art		Intro to world of theatre. Explore key aspects including: improvisation, pantomime, dramatic structure, voice & articulation, research & design as well as other drama based philosophies. Outside play attendance is required.
32350	Drama 2	11,12	Year	\$15.00	Fine Art	Prerequisite Drama 1	Continuation of Drama 1. More in-depth look at acting (use of body & voice), theatre history, play analysis, performance, production, begin research & design and directing. Outside play attendance is required.
32356	Play Productions	11,12	Year	\$15.00	Fine Art	Prerequisite Drama Audition	Advance work in theatre production. Hands-on theatrical techniques. Learn, practice, & perfect humorous & dramatic monologues, pantomimes, classical and contemporary scenes. <b>Audition for all school productions &amp; participation in region and state events required. Outside practice and performance required. Outside play attendance required.</b>
32355	Theater/Technical (Stage Crew)	10,11,12	Year	\$15.00	Fine Art /Elective		Learning & doing hands-on tech service. Key aspects include set design & construction, production of costumes, props, lights, sound, make up. <b>Many after school hours and outside performances required.</b>
32357	Musical Theatre	10,11,12	Year	\$15.00	Fine Art		Students will learn the aspects of musical theatre, sound, and costumes. Students required to be in the musical(s). Extra rehearsals required.
32266	Survey of Cinema	10,11,12	Sem	\$15.00	Fine Art		Students will find meaning in the works of film art through critical thinking, study & appreciation of film & theatre as an art form. History of film, genre, film elements, oral & written critique. Must attend school play.

**FINE ARTS/VISUAL**

**1.5 CREDITS OF VISUAL OR PERFORMING ARTS REQUIRED FOR GRADUATION**

<b>Course #</b>	<b>Course Title</b>	<b>Grade</b>	<b>Length</b>	<b>Fee</b>	<b>Credits</b>	<b>Comments</b>	<b>Course Description</b>
32325	Survey of Art History	10,11,12	Sem	\$10.00	Fine Art		Art History from the dawn of time to the present, exploring art through the images and peoples that created them. Each historical period will be based around a guided art project that will be created by the student to help understand the historical significance of the technique or medium on the art world.
32611	 Art History AP	11,12	Year	\$20.00	Fine Art		Explore human history through the timeless creations of man starting with prehistory cave paintings to modern buildings and contemporary arts of today. Successful AP test result will earn 6 credits of college humanities. \$90.00 test fee or scholarship.
32210	Art Foundation 1	10,11,12	Sem	\$20.00	Fine Art		Basic Art elements & principles are taught through a series of projects & guided tutorials in this hands on approach to Art Education. Many different mediums & techniques to drawing will be taught. <b>Recommended prerequisite to all Fine Art classes.</b>
32213	 Art Foundation 2	11,12	Sem	\$20.00	Fine Art	Prerequisite Art Found. 1 <b>Concurrent</b>	Continuation of Art Fnd 1. Intermediate level skills and concepts are taught through a series of hands-on projects & guided drawings. <b>Prereq. Art Foundations 1 or Design 1. College 1010 credit available.</b>
32216	 Painting & Drawing	11,12	Sem	\$20.00	Fine Art	Prerequisite Art Fnd 1&2 <b>Concurrent</b>	Art students refine drawing & painting skills through a series of projects designed to teach technique and mastery. <b>College 1110 credit available.</b>
32610	 Art/ Studio/ AP	11,12	Year	\$20.00 +	Fine Art	Signature and Prerequisite Art Fnd 1&2	Prepares students to take the AP art Portfolio exam consisting of 29 pieces of art chosen and created by the student. Earn college credit for humanities based entirely on works of art created over the course of the year. NO written exam. \$90.00 test fee or scholarship.
32615	 Art/ 2D Design/ Photography/AP	11,12	Year	\$20.00	Fine Art	Signature	Adv. Photography and design. Individual projects focus on advancing photo skills. Begin and /or complete portfolio for 6 college humanities credits if passing the AP test with 3, 4 or 5. It is not a written exam.
32230	Ceramics 1	10,11,12	Sem	\$20.00	Fine Art	Follow up to Jr. High Ceramics	Students learn and review methods of forming clay; pinch, slab, coil, construction, and the pottery wheel. Basic clay methods are refined. Efficiency in clay methods, terminology, definitions, reflective writing, ceramic art elements, principles and history will be required.
32231	Intermediate Ceramics	11,12	Sem	\$20.00	Fine Art	Prerequisite Ceramics 1 At Roy High	Emphasis is on Pottery wheel; students will refine ceramic techniques to make larger more complex pieces. Sophisticated glaze techniques will be introduced. A strong foundation in clay is needed for this class.
32330	Advanced Ceramics	11,12	Sem	\$20.00	Fine Arts	Prerequisite Ceramics 1 and Intermediate Ceramics	Students will be expected to introduce sets of groups of conceptual elements to their work learned in the previous two courses with emphasis on the wheel method. Students will organize a portfolio that expresses a purpose such as master of a medium. A strong emphasis is on developing a personal style and expression.
32331	Sculpture	10,11,12	Sem	\$20.00	Fine Art	Prerequisite Ceramics 1 at Roy High	Students are introduced to the process of making sculptural forms. Materials include glass, clay, metal, wood, and wire. Sculptural projects will show how elements and principles of art can create a good design for a piece of art.
32310	Art and Graphic Design (Design and Visual Communication)	10,11,12	Sem	\$20.00	CTE Fine Arts		Basic Art elements & principles are taught through projects designed to emulate Commercial Art occupations & concepts. Many areas of Commercial Design & Art occupations will be explored including; illustration, graphic design, magazine layout & advertising, storyboarding, typography & fashion design.
32311	Commercial and Advertising Art	10,11,12	Sem	\$20.00	CTE Fine Arts	Prerequisite Art & Graphic Design	Intermediate level skills & concepts are taught through a series of projects reflecting real world occupational projects in the Commercial Media, including; illustration, graphic design, typography, magazine & multimedia formats & advertising. This class will prepare the student for entry level positions in the commercial job force.

**FOREIGN LANGUAGE**

**LEVEL 2 FOREIGN LANGUAGE REQUIRED AT SOME UNIVERSITIES**

<i>Course #</i>	<i>Course Title</i>	<i>Grade</i>	<i>Length</i>	<i>Fee</i>	<i>Credits</i>	<i>Comments</i>	<i>Course Description</i>
35230	German 1	10,11,12	Year				Fundamental communicative skills will be developed.
35231 	German 2	10,11,12	Year			Prerequisite German 1 <b>Concurrent</b>	Prerequisite. German 1 for RHS students and German 2 for Jr High students. Beginning level concurrent class. Students will extend skills they learned in previous German class. <b>College 1010 credit available.</b>
35232 	German 3	10,11,12	Year		*English	Prerequisite German 1 & 2 <b>Concurrent</b>	Prerequisite German 2 or teacher approved. Intermediate level concurrent class for Jr High students with B grade or higher or RHS students with German 2. Students continue advanced language skills learned in German 1 and 2. <b>College 1020 credit available.</b>
35233 	German 4	10,11,12	Year		* English	<b>Concurrent</b>	Prerequisite German 3 at RHS or Jr High or teacher approved. Advanced class that builds on 1020 content. Emphasis placed on speaking while reviewing grammar and other concepts covered in German 3. <b>College 2010 credit available.</b>
35234 	German 5 <b>College 2010 credit– available if not generated in German IV</b>	11,12	Year		* English	<b>Concurrent</b>	Prerequisite German 4. Advanced class that build on 1020 content. Emphasis placed on speaking while reviewing grammar and other concepts covered in German 3 and 4.
35210	Spanish 1	10,11,12	Year				Fundamental communicative skills will be developed.
35211 	Spanish 2	10,11,12	Year			Prerequisite Spanish 1 <b>Concurrent</b>	Beginning level CE class. Students learn basic vocabulary and extend skills learned in previous Spanish class. For those students who have taken Spanish 2 in the JR high or Spanish 1 at RHS. <b>College 1010 credit available.</b>
35212 	Spanish 3	10,11,12	Year		*English	Prerequisite Spanish 1 & 2 <b>Concurrent</b>	Intermediate level class suited for those coming from Jr. High with B or lower. Emphasis placed on advancing students speaking abilities from previous class. <b>College 1020 credit available.</b>
35213 	Spanish 4	10, 11, 12	Year		*English	Prerequisite Spanish 1, 2, 3 <b>Concurrent</b>	For students who have completed 3 years of Spanish at the junior high. Focus on expanding ability to speak and understand through interactive learning activities. Lots of fun, energy and new experiences with minimal written work. Speaking is the focus. Prep for college credit in Spanish 4 and 5. <b>College 2010 credit available.</b>
35215  	Spanish 5 – College Prep <b>College 2010 credit available OR AP Spanish exam preparation offered (not required)</b>	11,12	Year		*English	Prerequisite Spanish 4 <b>Concurrent OR AP test option</b>	This course is for students proficient in the Spanish language and may be taken for Concurrent Enrollment 2010 credit <b>OR</b> the AP Spanish exam (not required). Students take the course to improve skills for post-high opportunities and potential college placement to earn Humanities credit. Spanish Business Certification may be generated for resumes and job applications.
35300	American Sign Lang 1	10,11,12	Year	None			Beginning ASL communication skills, Deaf history, Deaf culture, and Storytelling and State competition.
35301 	American Sign Lang 2	11,12	Year	None		Prerequisite: ASL 1 <b>Concurrent</b>	Intermediate to advanced ASL communication skills, Deaf history, Deaf culture, storytelling, State competition and Signing Weekend. <b>College 1010 credit available.</b>
35302 	American Sign Lang 3	12	Year	None		Prerequisite: ASL 2 <b>Concurrent</b>	Advance ASL communication skills, Deaf history, Deaf culture, Storytelling, State competition and Signing Weekend. <b>College 1020 credit given.</b>
<b>*CAN SUFFICE FOR ELECTIVE FOURTH YEAR ENGLISH CREDIT</b>							

## GENERAL FINANCIAL LITERACY

## .5 GFL CREDIT REQUIRED FOR GRADUATION

Course #	Course Title	Grade	Length	Fee	Credits	Comments	Course Description
28379	General Financial Literacy	11,12	Sem		Gen Fin Lit		Understanding of personal financial planning & sound money management skills to achieve long & short term financial goals & security.
43337	Adult Roles & Financial Literacy	11,12	Year		Gen Fin Lit .5 CTE		Self-awareness, dating, marriage, family relationships, communication, life choices, understanding of personal financial planning and sound money mgmt. to achieve long and short term financial goals and security.
43338	 Adult Roles & Financial Literacy CHF2400 – 3 credits	11,12	Year	Text Book	Gen Fin Lit .5 CTE	<b>Concurrent</b>	Self-awareness, dating, marriage, family relationships, communication, life choices, understanding of personal financial planning and sound money management to achieve long & short term financial goals and security.

## HEALTH/HEALTH SCIENCE TECH

## .5 HEALTH CREDIT REQUIRED FOR GRADUATION

Course #	Course Title	Grade	Length	Fee	Credits	Comments	Course Description
73320	Health Edu	10,11,12	Sem		Health		Study of the physical, emotional, mental, community and social interrelationships related to personal health.
47110	Intro to Health Science	10,11,12	Year	\$10.00	Health CTE		A study of human anatomy and physiology. Intro to medical terms and careers in health field. .5 health credit and .5 CTE credit Teacher must be Health endorsed.
47270	 Intro to Emergency Medical Response (EMR) AT2300	11,12	Sem	\$10.00 +Book	CTE	<b>Concurrent</b> 3 credits	American Red Cross Emergency Response curriculum.
47380	Medical Anatomy and Physiology	11,12	Year	\$10.00	CTE *Science	Prerequisite Intro to Health Sci.	In-depth study of health science careers. A&P, disease/disorder skills etc. Prerequisite is Intro to Health Science.
47350	 Exercise Science/ Sports Medicine AT2175 – 3 credits	11,12	Year	\$10.00	CTE	<b>Concurrent</b> Prerequisite Intro to Health Sci.	Study of athletic injury, anatomy/physiology. Prerequisite is Intro to Health Science.
47360	 Medical Terminology HTHS1101 – 2 credits	11,12	Sem	Textbook	CTE	<b>Concurrent</b> Prerequisite Intro to Health Sci.	Basic terminology to allow success in medical occupations. Prerequisite is Intro to Health Science.
47365	 Case Studies HTHS 1120	11,12	Sem		CTE	<b>Concurrent</b>	Designed for students with medical field emphasis. A look at health care professions. Students will create portfolio and receive job seeking interview skills.
47315	CNA Certified Nursing Assistant	11,12	2 Blks Sem	\$10.00	CTE		Hands on entry level nursing course required for CNA certification. Will prepare students for employment in the nursing field. <b>Required to apply to nursing school.</b> Experience clinical in local health care facilities.
79214	Health Science Internship	12	Sem		Elective	CWS packet required.	Explore your chosen field in a professional setting. Students must complete 2 credits within the Health Science pathway. Check eligibility requirements with your counselor or CTE office.
CAN SUFFICE FOR ELECTIVE SCIENCE							

**INDUSTRIAL/ENGINEERING (CTE)**
**1 CTE CREDIT IS REQUIRED FOR GRADUATION**

<i>Course #</i>	<i>Course Title</i>	<i>Grade</i>	<i>Length</i>	<i>Fee</i>	<i>Credits</i>	<i>Comments</i>	<i>Course Description</i>
<b>AUTOMOTIVE</b>							
84245	 Intro to Automotive Service* AUSV1000	10,11,12	Sem	\$20.00	CTE	<b>Concurrent</b> 3 credits	Intro Automotive course. Basic knowledge of engines, brakes, alignment, transmission, drivelines, ignition & electrical systems. Consumer Autos course
84250	Small Vehicle Technician*	10,11,12	Sem	\$20.00	CTE		Maintain and repair small internal combustion engines used on portable power equipment such as lawnmowers, chainsaws, motorcycles, etc.
84331	 ASE* Brakes AUSV1021	11,12	Sem	\$20.00	CTE	<b>Conc.</b> 3 credits Prerequisite Int. to Auto	Lab and class work on automotive braking systems. Learn diagnosis and repair of hydraulic systems, drum, disk, power assist, wheel bearings, parking brake, anti-lock brake, and traction control systems.
84332	 ASE* Electrical/Electronics AUSV1320	11,12	2 Period Block Sem	\$40.00	CTE	<b>Conc.</b> 2 credits Prerequisite Int. to Auto	In-depth study of automotive electrical systems, starters, charging, lighting, gages, warning devices and batteries.
84333	ASE* Engine Performance AUSV1120	11,12	2 Period Block Sem	\$20.00	CTE	<b>Concurrent</b> Prerequisite Int. to Auto	In-depth study of automotive engine performance, tune-up, ignition, fuel, exhausts, emissions and computer control systems.
84334	 ASE* Steering and Suspension AUSV1022	11,12	Sem	\$20.00	CTE	<b>Conc.</b> 2 credits Prerequisite Int. to Autos	Lab and class work on automotive suspension and steering. Learn diagnosis and repair of springs, shocks, struts, rack and pinion, pumps, electric power assisting, alignment, tire balance, and wheels.
<b>DRAFTING</b>							
84275	 CAD Mechanical Design 1 DET1010	10,11,12	Sem	\$10.00	CTE	<b>Concurrent</b> 3 credits	Class includes the use of 2D CAD software, sketching, drawing layout, geometric construction, and orthographic projection and dimensioning.
84276	 CAD Mechanical Design 2 DET1160	10,11,12	Sem	\$10.00	CTE	<b>Conc.</b> 3 credits Prereq. Mech 1	Emphasis in developing technical knowledge and skills to develop 3D models in support of mechanical and industrial engineers, and related professionals. Model creation & technical communication.
84277	 CAD Mechanical Design 3	11,12	Sem	\$10.00	CTE	<b>Conc.</b> 3 credits Prereq. Mech 2	Instruction in 3D CAD software, threads & fasteners, welding symbols, geometric dimensioning & tolerance, and assemblies.
84320	 CAD Architectural Design 1 DET1040	10,11,12	Sem	\$10.00	CTE	<b>Concurrent</b> 3 credits	Prepares for career in Architecture, Engineering, and Construction industry. 2D/3DCAD software to draw small residential home. Emphasis on blueprint reading.
84321	 CAD Architectural Design 2 DET1350	10,11,12	Sem	\$10.00	CTE	<b>Conc.</b> 3credits Prereq. Arch 1	Design and model a small residential home. Emphasis on residential methods and materials of construction, codes, and building information modeling.
<b>CABINETMAKING</b>							
84260	Woodworking*	10,11,12	Sem	\$20.00	CTE		Knowledge and skill to lay out and shape stock: assemble, saw and sand projects; stresses safe use of a variety of hand and powers tools. Projects allow student to incorporate all joints and tools e.g. a nightstand.
84262	Furniture Design*	10,11,12	Sem	\$20.00	CTE		Prepares students to apply technical knowledge and skills to prepare and execute furniture design projects; assemble and finish furniture articles; repair furniture; and stress the safe use of a variety of hand and power tools and machinery.

**INDUSTRIAL/ENGINEERING *continued***

84370	Welding Technician A*	10,11,12	Sem	\$20.00	CTE		Beginning welding & cutting processes for stick & MIG welding. Beginning fitting math & blueprint reading. Safety glasses, gloves, leather shoes required.
84372	Welding Technician B*	10,11,12	Sem	\$20.00	CTE	Prerequisite Welding Tech. A	Continuation of Welding Technician A. Prerequisite: Welding Tech. A Safety glasses, gloves, leather shoes required.
84372Y	Welding Technician A/B*	10,11,12	Year	\$20.00 Per sem	CTE		Beginning welding & cutting processes for stick & MIG welding. Beginning fitting math & blueprint reading.
84375	Welding Technician Intermediate*	11,12	Year	\$20.00 Per sem	CTE	Prerequisite Welding A & B	Advanced stick, MIG, GTAW, plasma cutting. Aluminum & steel welding & cutting. Advanced Fitter math. Advanced Mechanical drawing. Safety glasses, gloves, leather shoes required. Prerequisite Welding A and B.
84377	Welding Technician Adv.*	12	Year	\$20.00 Per sem	CTE	Prerequisite: Welding Intermediate	More advanced skills in all welding processes that will prepare students to apply technical knowledge and skill in the workplace and project construction. Practice and learn appropriate setup techniques. Safety glasses, gloves, leather shoes required.
84378	Machinist Tech 1*	10,11,12	Year	\$20.00 Per sem	CTE		Basic metal machinery. Lathe & mill operations. Grinding & finishing. Machine operation math and blueprint reading. Safety glasses and hair tie required.
84380	Machinist Tech 2*	11,12	Year	\$20.00 Per sem	CTE	Prerequisite Machining 1	Hands on experience in production machinery concepts. CNC programming and production. Prerequisite Machinist Tech 1. Safety glasses and hair tie required.
79214	Industrial/Engineering Internship	12	Sem		Elective	CWS packet required.	Explore chosen career field in professional setting. Students who have completed at least 2 credits within an Industrial/Engineering pathway may participate. Check eligibility requirements with counselor or CTE office.

**\*STUDENTS WILL PAY THE WSD APPROVED SAFETY GLASSES FEE OF \$3.50**

**LAW ENFORCEMENT (CTE)**

**1 CTE CREDIT IS REQUIRED FOR GRADUATION**

<i>Course #</i>	<i>Course Title</i>	<i>Grade</i>	<i>Length</i>	<i>Fee</i>	<i>Credits</i>	<i>Comments</i>	<i>Course Description</i>
77460	Law Enforcement	10,11,12	Sem	\$12.00	CTE		Theories, principles and techniques of developing, administering and managing services for the safety & protection of people & property.
77461	Introduction to Corrections	11,12	Sem	\$12.00	CTE	Prerequisite Law Enforce.	This is a new course being developed by the State Office of Education.
79214	Law Enforcement Internship	12	Sem		Elective	CWS packet required.	Explore chosen career field in professional setting. Students who have completed at least 2 credits within an Industrial/Engineering pathway may participate. Check eligibility requirements with counselor or CTE office.

**MARKETING (CTE)**
**1 CTE CREDIT IS REQUIRED FOR GRADUATION**

<i>Course #</i>	<i>Course Title</i>	<i>Grade</i>	<i>Length</i>	<i>Fee</i>	<i>Credits</i>	<i>Comments</i>	<i>Course Description</i>
28356	Digital Marketing (Social Media Marketing)	10,11,12	Sem		CTE		Want sweet skills? YOU need these digital marketing skills for any profession. Today's world is all about media. In this class you will learn about social media, branding, mobile marketing, online retail and advertising. #DIGITALMARKETINGROCKS.
28260	Marketing 1	10,11,12	Sem		CTE		Everything is marketed. You need to know how marketing works, how to market your business and yourself. This exciting class explores marketing strategies, selling, management and careers.
28264	 Marketing 2 PS 1303	11,12	Sem		CTE	<b>Concurrent</b> 3 credits	Continuation of Marketing 1 concepts. Concurrent credit is available for successful completion of the Marketing 1 and 2 course combination.
28262	Sports & Entertainment Marketing	10,11,12	Sem		CTE		Learn about Marketing of and thru sport. Relation between fan, sponsor, and event in sports. Marketing recommended.
28351	 Retailing-School Store PS1890 – 2 credits	11,12	Sem		CTE	<b>Concurrent</b> (may repeat)	Practical experience in school store with inventory. Retailing and Marketing recommended. Students will work in the school store.
28354	 Customer Service PS1403	10,11,12	Sem		CTE	<b>Concurrent</b> 3 credits	The students will gain an understanding of the skills needed to win customer satisfaction and loyalty. Including a heightened awareness of opportunities in customer service, tools for dealing with unhappy customers, and a clear understanding of the future directions of customer service.
28370	Hospitality and Travel	10,11,12	Sem		CTE		Let's travel the world! Come explore different countries and cultures and the many jobs available in travel, tourism, hospitality, airlines, hotels, cruises, advertising travel and more.
28371	Lodging & Recreation	10,11,12	Sem		CTE		Experience lodging and recreational activities that are available world-wide. Manage Bed & Breakfast, hotels, tours, cruises, catering...and the marketing needed to build a successful destination. Construct events, amenities, rooms, catering, and other related Lodging & Recreational activities for the traveler including Utah Ski Resorts and State and National Park vacations, etc.
79214	Marketing Internship	11,12	Sem		Elective	CWS packet req.	Explore your chosen field in a professional setting. Students must complete 2 credits within the Marketing pathway. Check eligibility requirements with your counselor or CTE office.

**MATHEMATICS**

**3 CREDITS REQUIRED FOR GRADUATION**

<i>Course #</i>	<i>Course Title</i>	<i>Grade</i>	<i>Length</i>	<i>Fee</i>	<i>Credits</i>	<i>Comments</i>	<i>Course Description</i>
62130	Secondary Math 2	10	Year		Math		Focus on quadratic expressions, rational & complex numbers, probability, trigonometry, and circles. This class increases the rigor in order to prepare for college level math.
62135	Secondary Math 2 Hon	10	Year		Math		Pre-req. Sec Math 1. Includes all Math 2 curriculum. This class has more material and increases the rigor in order to prepare for college level math.
62140	Secondary Math 3	10,11	Year		Math		This course is an accumulation of previous courses. Expanded studies of math topics will be discussed from previous courses.
62145	Secondary Math 3 Hon	10,11	Year		Math		Pre-req. Sec Math 2. This class has more material and increases the rigor in order to prepare for college level math. Students will explore mathematical ideas for analyzing the complex solving of problems
62515	Pre-Calculus/ Adv Math	11,12	Year		Math	TI-83+ or higher	This class is 1060 at most colleges. Focus on skills and knowledge you need to step into and be successful in Calculus. Students should be confident and capable in mathematics.
62620	 Calculus AB/AP	11,12	Year	<b>AP test</b>	Math	TI-83+ or higher	Some say this class is derivative, I know it is integral to your success! One semester of college level Calculus, taken over a year period. Calculus lab required to be taken concurrently.
62560	Calculus Lab	11,12	Year		Elective	<b>Required</b>	What could be better than hanging out with your Calculus teacher? Additional time, assistance and instruction to aid student's success.
62640	 Probability/Statistics AP	11,12	Year	<b>AP test</b>	Math	TI-83+ or higher	Pass the test=get college credit! More & more universities are requiring Stats for Gen Ed. This is a great way to learn the material and check that box off. Learn about statistics, how they are calculated, what they measure, and how they can be used and misused. This class will make you better informed citizen and less likely to be deceived.
62563	 Math 1050/WSU fulfills core req.	12	Sem		Math <b>Concurrent</b>	Scientific calculator	Class for the majority of college majors! This is the big hurdle in gen education at most universities. <b>Required 23 on math ACT or 50+ on accu-placer.</b> Finish this in high school and it is likely you will not have to take math in college.
62567	 Math 1010/WSU	12	Sem		Math <b>Concurrent</b>	Scientific calculator	<b>Act math score of 18. Or accu-placer score of 54.</b> This is the class for you! Earn college credit, and by passing with C or better you are qualified to take Math 1050!
62325	Mathematical Decision Making for Life	11,12	Year		Math		What is a better deal; the 12" medium pizza or the 23" giant pizza at The Pie? Are you wondering if math is really applicable to the real world? We show you how much math is in the world around you! We will teach you to use math to be informed and to analyze the decisions you make.
62315	College Prep Math	11,12	Year		Math	TI-83+ or higher	Do you want to go to college? Did you qualify for 1010 and not 1050? This is the class for you. We teach the same topics found in Math 1010, but take an entire year! Similar to Pre-Calculus, however not quite as rigorous.
28230	Accounting 1	10,11,12	Sem	\$23.00	*Math/CTE		Basic elements and concepts of double-entry accounting for business & personal use. Knowledge of accounting cycle & automated applications.
28231	Accounting 2	10,11,12	Sem	\$23.00	*Math/CTE	Prerequisite Accounting 1	Skills dealing with automated accounting applications. Instruction on uncollectible accounts, payroll, notes and interest. Interpreting financial information
27210	 Computer Program 1A	10,11,12	Sem		*Math/CTE	<b>Concurrent</b>	Intro to Java programming graphics and other computer applications.
27211	 Computer Program 1B	10,11,12	Sem		*Math/CTE	<b>Concurrent</b>	Understanding of software design and computer applications. Must take 1A and 1B for concurrent credit.

**\*CAN SUFFICE FOR THIRD YEAR MATH CREDIT**

## PHYSICAL EDUCATION

## 1.5 PE CREDITS REQUIRED FOR GRADUATION

Course #	Course Title	Grade	Length	Fee	Credits	Comments	Course Description
73210	PE/Fitness for Life (Required)	10	Sem		PE		Combination of classroom and activity based learning with focus on proper nutrition. Required for graduation.
73220	PE/ Sports	10,11,12	Sem		PE		Instruction and participation in individual and team sports. Possible golf and bowling fee. PE clothing and lock required.
73235	PE/ Weight Training	10,11,12	Sem	\$10.00	PE		Weight lifting and conditioning with fitness log. FEE
73230	Beginning Dance	10,11,12	Sem	\$10.00	PE		Various forms of dance-ballet, modern, ballroom, aerobic, and jazz. Emphasis on rhythm and technique. FEE
73231	Intermediate Dance	10,11,12	Sem	\$10.00	PE	Prerequisite Beg. Dance	Intermediate level of techniques in modern, ballet and jazz. FEE
73801	PE/ Cheerleaders	10,11,12	Year	\$85.00	PE	Audition	After school activities required. <b>Must also purchase attire.</b>
73800	PE/ Royalaires	10,11,12	Year	\$85.00	PE	Audition	After school activities required. <b>Must also purchase attire.</b>
73247	PE/ Conditioning/Athletics	11,12	Sem	\$10.00	PE	Fee	Conditioning class for those students participating in basketball, baseball, track, soccer, etc. Athletes only. FEE
73236	PE/Female Conditioning	10,11,12	Sem	\$10.00	PE		Female conditioning will introduce you to strength training and conditioning choices. You will learn to design and implement different types of fitness programs based on your personal goals.
73211V	PE/Athletics/Football	11-12	Sem		PE	Audition	Juniors and Seniors on the Varsity football team.
73211J	PE Athletics/Football	10	Sem		PE	Audition	Sophomores on the football team.
73211	PE/Athletics Spring	10-11	Sem		PE	Audition	Juniors and Sophomores on the football team.
73239	PE/ Swim Team	10-11-12	Sem		PE		Swim Team

## AGRICULTURE SCIENCE

Course#	Course Title	Grade	Length	Fee	Credits	Comments	Course Description
84216	Plant & Soil Science	10,11,12	Year	\$10.00	CTE Science Elec		Students will learn about plants and soils including plant genetics, diseases, pests, and management practices. Classroom, laboratory, and field experiences emphasized. Career and educational opportunities.
72317	Biology-Agricultural Science	10,11,12	Year	\$10.00	CTE Science Elec		Biology Science credit. Emphasis on agriculture (food, farming, fabric, flowers and forestry). Students will be cognizant of current technologies, methods, and changes in agricultural science.
84326	Floriculture	10,11,12	Sem		CTE		Students will develop knowledge skills related to the floriculture industry. Floral design and management will be the primary units of study. Students will be prepared to create floral arrangements, grow floriculture crops, and manage commercial floriculture operations.
84244	Landscape Management	11,12	Sem		CTE		Intensive course that prepares students to select appropriate plant material; design, install, and maintain interior and exterior landscapes, including plant material and hardscapes; maintain facilities and equipment.
84217	Animal Science 1	11,12	Year	\$10.00	CTE Science Elec		Pre-req. Bio/Ag Bio. Scientific processes of observation, measurement, hypothesizing, data gathering, interpretation, analysis and application are included. Career opportunities are examined.
84235	Vet Assisting	11,12	Year	\$10.00	CTE	Prerequisite Animal Sci 1	Study veterinary science and principles which include anatomy, physiology, chemistry, animal health and disease, dentistry and laboratory procedures. Students will provide hands-on care in surgical assisting, bandaging, wound care, oral care and general nursing care.
84227	Natural Resource Science	11,12	Sem	\$10.00	CTE Science Elec		Management of natural resources includes rangelands, forests, fisheries, etc. Students learn thru field experiences, labs, and experts.

**SCIENCE**

**3 CREDITS REQUIRED FOR GRADUATION FROM TWO DIFFERENT AREAS**

<i>Course #</i>	<i>Course Title</i>	<i>Grade</i>	<i>Length</i>	<i>Fee</i>	<i>Credits</i>	<i>Comments</i>	<i>Course Description</i>
72215	Biology	10,11,12	Year	\$10.00	Science	Lab included	Study of organisms and relationships between living things and their environment.
72610	Biology AP	11,12	Year	\$10.00	Science	Lab included Prerequisite Biology	College level course in the study of living things.
72520	Chemistry	10,11,12	Year	\$10.00	Science	Lab included Recommendation	Basic Chemistry course. Study of the structure and behavior of matter. Covers concepts in the Utah State Core. Emphasis on hands on experience. <b>Secondary Math with B or better.</b>
72525	Chemistry Honors	10,11,12	Year	\$10.00	Science	Lab included Recommendation	College preparatory course in basic Chemistry. Strongly recommended that student has successfully <b>Secondary Math with B or better.</b>
72232	 Chemistry 1110 & 1110L/WSU (Lab credit awarded) <b>fulfills Breadth req.</b>	11,12	Year	\$35.00 + text book	Science	<b>Concurrent</b> Prerequisite Chemistry	Fundamentals of inorganic chemistry and intro to organic chemistry. Designed for nursing, engineering tech and other fields of science and health professions where only one year of chemistry is required. One 3 hour lab required every two weeks. Fee: \$10 lab fee \$25 WSU fee + text book.
72530	Physics	10,11,12	Year	\$10.00	Science	Lab included Recommendation	Analyze properties of matter, investigate laws of motion, and study forms of energy. <b>Math intensive. Secondary Math with B or better.</b>
72650	 Physics AP	12	Year	\$10.00	Science	Lab included Recommendation	College level course in the study of motion. <b>Physics and Secondary Math 3 with B or better.</b>
72100	Geology	11,12	Year	\$10.00	*Science	No prerequisite	The study of the earth including processes that shape it (earthquakes and volcanos), its materials (rocks) and land forms (National Parks).
72210	Basic Genetics	10,11,12	Sem	\$10.00	*Science	No prerequisite	Study of heredity. How it works. What happens when it does not work properly?
72240	Astronomy	10,11,12	Sem	\$10.00	*Science	Lab included	Study of the solar system, stars, constellations, galaxies, the universe. Star parties and field trips are part of curriculum.
47380	Medical Anatomy & Physiology	11,12	Year	\$10.00	*Science CTE		In-depth study of health science careers. A&P, disease/disorder skills etc. Prerequisite is Intro to Health Science.
	Project Lead the Way 84410 and 84430	10,11,12			*Science CTE		See the magnet courses page for descriptions of each course in the series.

**\* CAN SUFFICE FOR THIRD YEAR SCIENCE CREDIT**

**SOCIAL STUDIES**

**3 SOCIAL STUDIES CREDITS REQUIRED FOR GRADUATION**

.5 GEOGRAPHY, 1.0 WORLD HISTORY, 1.0 US HISTORY, .5 GOVERNMENT AND CITIZENSHIP

Course #	Course Title	Grade	Length	Fee	Credits	Comments	Course Description
77510	World Civilization CP	10,11,12	Year		World Civ		Meets the state requirement for World Civ. Designed to give the student a broad view of World History. Recommended Sophomore year.
77605	 World History/ AP	10,11,12	Year		World Civ		This course emphasizes principle themes in World Civilization, as well as the ability to analyze historical evidence. Follows guidelines established by College Board. Students will earn 6 college elective credits if they pass the AP test with a 3, 4, or 5 score.
77520	U.S. History CP	10,11,12	Year		US History		Meets the state requirement for US History. Recommended Junior year.
77315	 U.S. History/WSU American Inst. 1700	11,12	Year		US History	<b>Concurrent 3 credits – fills core Gen. Ed.</b>	Explore U.S. History from the Age of Exploration to the modern day. Read college level material and employ critical thinking skills to understand key issues and events in U.S. history. Earn 3 college credits from WSU.
77610	 U.S. History/ AP	10,11,12	Year		US History		Covers the American experience from discovery to the present. Rigorous college level course to prepare for the AP test. Students will earn 6 college credits if they pass the AP test with a 3, 4, or 5 score.
77560	US Government & Citizenship	12	Sem		US Gov/Cit		Fosters informed responsible participation in public life. Good citizenship is essential to the preservation & improvement of United States democracy. Recommended for Seniors due to proximity to voting and draft age.
77640	 Comparative Government & Politics/ AP	11,12	Year		US Gov/Cit		Study of World Governments and how they compare to America; focusing on England, France, Mexico, China, Russia, and Iran. Made for students who are more interested in the World than just the U.S.
77665	 US Government & Politics/ AP	11,12	Year		US Gov/Cit		Study of American Government and how it has changed; students will get to discuss and analyze the problems and solutions for our American system. Made for students who are more interested in the U.S than foreign affairs.
77430	Psychology	10,11,12	Sem		Elective		This course presents the basic concepts of Psychology: motivation, personality, learning, stages of growth and abnormal psychology.
77335	Sports Psychology	10,11,12	Sem		Elective		Designed to give the athlete an edge by focusing on the psychological aspects of performance. Instruction in activation levels, relaxation techniques, self-talk, concentration and communication.
77630	 Psychology AP	10,11,12	Year		Elective		A college level course in Psychology where students may elect to take an AP test for college credit.
77330	Current Events	10,11,12	Sem		Elective		Exploration of the changing trends, events, or innovations that electrify our modern “global village”. Emphasis placed on enviro issues, high technology, and other events that shape our culture and society.

## CAREER TECHNOLOGY EDUCATION MAGNET PROGRAMS 2017-18

Magnet programs are taught only at designated locations because enrollment does not warrant a program at each high school. Each magnet program is fully supported by a certified teacher and certified curriculum. Students from all high schools in the district may attend any magnet program under the following conditions:

1. Register for the program during the regular registration process at your high school. The registration process generates a list of students who then receive a notice for the parent meetings regarding the program and its unique requirements. The meetings are held at various times and locations around the district. **Students and a parent must attend one of the meetings. Students must return the necessary registration materials by the due date.**
2. Magnet programs run from 7:30 a.m. to 10:30 a.m. or Noon to 3:00 p.m. This accommodates lunch and safe travel. Each magnet class is scheduled for two periods for one semester.
3. Transportation for magnet classes is the responsibility of the student. Transportation will be provided for **sophomores** taking PLTW classes at The Weber Innovation Center.
4. **Students may take college classes at the Weber Innovation Center.** Because of scheduling it is better to register for those classes in April/May when they have their schedule set for the next year.

### MAGNET CLASSES

Course #	Course Title	Grade	Credits	Fee	Location	Comments	Course Description
47480	Advanced Health Science HTHSCI 1105 & 1106	11,12	CTE	Book Outline	Everyday 1 <sup>st</sup> and 5 <sup>th</sup> periods at Fremont or Bonneville	<b>Concurrent</b> Can count as 3 <sup>rd</sup> year Science	WSU Anatomy & Physiology.
23900 	Intro to Education 1010 (Elementary)	12	CTE		West Haven Elementary	<b>Concurrent</b> <b>2-hour block</b> 1 semester	Exploring elementary teaching as a career. WSU concurrent
23901 	Intro to Education 1010 (Secondary)	12	CTE		WIC	<b>Concurrent</b> <b>2 hour-block</b> 1 semester	Exploring secondary teaching as a career. WSU concurrent.
43127	Apparel Design & Production 2	10,11,12	CTE		WIC	<b>2-hour block</b> 1 semester	Course introduces students to basic sewing, serger, and pressing equipment. Reviews fabric construction on an intermediate level. Students will make intermediate level project using correct construction techniques.
43233 	Fashion Design	11,12	CTE		Roy	<b>Concurrent</b> <b>2-hour block</b> 1 sem	This is a combination of Fashion Design Studio and Fashion Design Merchandising.
47356	Intro to Physical Therapy	11,12	CTE		WIC	<b>2-hour block</b> 1 semester	Students will learn physical therapy principles including body movement, physical therapy terms, therapeutic exercises, roles & responsibilities, laws, ethics & insurance. History and current trends also included.
77465 	Criminal Justice	11,12	CTE	\$12.00	WIC	<b>Concurrent</b> <b>2-hr. block</b> 1 semester	For the advanced law enforcement student.
47485	Medical Forensics	11,12	CTE	\$10.00	Weber High (3 <sup>rd</sup> yr. Sci.)	Prerequisite Biology <b>2-hr. block</b> 1 semester	Hands-on lab combining crime scene investigation, collection of evidence and analysis.

**MAGNET CLASSES** *continued*

27301	 Computer Science and Software Engineering CS 1030 & CS 1400	10,11,12	CTE	\$10.00	WIC	<b>2-hr. block</b> 1 semester	This course aims to develop computational thinking, generate excitement about career paths that utilize computing, and introduce professional tools that foster creativity and collaboration. App development, visualization of data, cybersecurity, robotics and simulation.
27302	 ICA Game Fundamentals CS 1010	10,11,12	CTE	\$10.00	WIC	<b>Concurrent</b> <b>2-hr. block</b> 1 semester	
27303	 ICA Dynamic Web Devel. CS 2350	10,11,12	CTE	\$10.00	WIC	<b>Concurrent</b> <b>2-hr. block</b> 1 semester	
27304	 ICA Applications CS 1410	10,11,12	CTE <b>OR</b> Core Sci. Credit	\$10.00	WIC	<b>Concurrent</b> <b>2-hr. block</b> 1 semester	
84410	 Principles of Engineering PLTW POE MFET 1150	10,11,12	CTE *Science	\$10.00	WIC	<b>Concurrent</b> <b>2-hr. block</b> 1 semester	Through theory and practical hands-on experience, students address the emerging social and political consequences of technological change.
84420	 Intro to Engineering Design DET 1010	10,11,12	CTE	\$10.00	WIC	<b>Concurrent</b> <b>2-hr. block</b> 1 semester	Students develop technical knowledge & skills required to plan and prepare scale pictorial interpretations of engineering & design concepts. Includes instruction in 2D/3D CAD software, sketching, drawing layout, geometric construction, orthographic projection, & dimensioning.
84430	 Electronics Digital PLTW EET 1110 & 1130	10,11,12	CTE *Science	\$10.00	WIC	<b>Concurrent</b> <b>2-hr. block</b> 1 semester	This course explores the smart circuits found in watches, calculators, video games and computers. Students design circuits to solve problems.
84440	Computer Integrated Manufacturing/PLTW CIM	10,11,12	CTE	\$10.00	WIC	Prerequisite Principles of Engineering <b>2-hr. block</b> 1 semester	Fundamentals of computerized manufacturing technology. Students use 3-D software to solve design problems, and produce 3-D models.
84450	 Civil Engineering and Architecture/PLTW CEA DET 1350 DET 2000	10,11,12	CTE	\$10.00	WIC	<b>Concurrent</b> Prereq. Intro to Eng. Design <b>2-hr. block</b> 1 semester	Overview of the fields of Civil Engineering and Architecture, emphasizing the interrelationship and dependence of both fields on each other.
84460	Aerospace Engineering/ PLTW AE	11,12	CTE	\$10.00	WIC	2-hr. block 1 semester	Expands horizons with project developed with NASA aerodynamics, astronautics, space-lift sciences and systems engineering.
84470	 Engineering, design and Development/PLTW VII DET 2460	11,12	CTE	\$10.00	WIC	<b>Concurrent</b> <b>2-hr. block</b> 1 semester	Engineering research course in which students work in teams to research, design and construct a solution to an open-ended engineering problem.
47310	 Emergency Medical Tech	12	CTE	\$10.00	WIC	<b>Concurrent</b> Prereq. EMR <b>2-hr. block</b> 1 semester	Prepares individuals to perform initial medical diagnosis, treatment, and comprehensive care in medical crises. Program may include emergency vehicle operation and patient transportation procedures.

**\*Project Lead The Way 84410 and 84430 will suffice for the third year Science credit**

**Roy High School and Weber School District do not discriminate  
On the basis of age, race, color, national origin, sex, sexual orientation, or disability. For  
additional information, please contact the principal or see the school or district website.**

## **CONCURRENT ENROLLMENT**

Concurrent, AP and Early College enrollments allow students the opportunity to take college-level courses and receive credit which applies to both high school and college.

Concurrent credit is available to juniors and seniors. In selected courses, the university that offers the course for CE credit will determine if a 10<sup>th</sup> grade student may register for the CE class. Check with the CE Coordinator in your school. Sophomores may receive concurrent credit for PLTW courses. Some classes are available to seniors only. Refer to the course guide.

It is expected that students who enroll will have the necessary background and meet the academic requirements to demonstrate success in concurrent enrollment courses. It is **suggested** that concurrent enrollment students have at least a **3.0 cumulative GPA**.

Some institutions may require a **minimum ACT or Accu-placer score** before enrollment in the concurrent course.

All concurrent enrollment courses are counselor recommended. Therefore, students must have a current (CCR) College and Career Ready Plan on file.

All concurrent enrollment course registrations will take place by the **1<sup>st</sup> week** of the semester.

Universities require **90% attendance** or better in all concurrent enrollment courses.

Students will be responsible to **purchase** any required books, outline, and/or supplies as required by the university.

Most post-secondary institutions charge a **one-time application fee**. Payment of this fee is the responsibility of the student.

Once you **register with the university**, for concurrent enrollment credit, if you choose to drop the course, you will receive a “UW” on your college transcript, which is equivalent to an “F”. Be aware students must complete 67% of concurrent courses they are taking and maintain a 2.0 GPA to be considered for financial aid.

The grade you earn in any concurrent enrollment course will become part of your **permanent high school transcript as well as your college transcript**.

College credit for concurrent enrollment **is not guaranteed** from year to year. It is determined by the university as to which courses and instructors qualify to offer the credit.

Concurrent enrollment credit can only be offered if the following criteria are met:

1. The secondary teacher has applied and been approved to teach the concurrent enrollment curriculum. This approval is from the post-secondary institution and is granted on a yearly basis.
2. The course must appear on the USOE master list for concurrent enrollment courses for the current year.
3. The core codes for the secondary and post-secondary courses are the same.

Please check with your **CTE office** if you have any questions regarding concurrent enrollment courses and the status of the class. It is important to remember that concurrent enrollment should be in line with your (CCR), College and Career Ready goals.

**SOME CLASSES MAY NOT RECEIVE CONCURRENT CREDIT EVEN THOUGH LISTED AS CONCURRENT IN THE COURSE GUIDE. CHECK WITH THE TEACHER.**

#### **FEE SCHEDULE**

In accordance with Utah State Law, the Weber School District Board of Education annually reviews all fees charged students for various activities, classes, yearbooks, etc. This information will be published and made available to parents and students prior to the time of registration in the fall.

#### **FEE WAIVER PROCEDURE**

No student will be denied the opportunity to participate in school activities and educational programs because of the inability to pay fees, deposits or other charges. Students and/or parents who need assistance should contact a member of the school administration for assistance.

#### **CIVIL RIGHTS**

Titles VI & VII of the Civil Rights Act prohibit discrimination in federally funded programs on the basis of race, color, religion or national origin. All vocational opportunities are offered without regard to race, color, national origin, sex or disability. The Individuals with Disabilities Education Act requires the District to find and serve qualified students with disabilities residing in the District. Weber School District does not discriminate on the basis of race, color, religion, national origin, age, sex, sexual orientation, or disability. More information is available by calling the person(s) listed below:

Kirt Swalberg  
Principal  
Roy High School  
2150 w 4800 s  
Roy, Utah 84067  
801-476-3611

or

Bill Grilz  
Assistant Director of Secondary Schools  
Weber School District  
5320 Adams Avenue Parkway  
Ogden, Utah 84405  
801-476-7873

#### **TITLE IX**

Weber School District complies with Title IX regulations: “No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving federal financial assistance. Problems should be referred to the school administration.”

Any grievance regarding the above statements should be directed to:

### **WEBER ONLINE**

Now you can take online courses at **no cost** through Weber School District and/or the Utah Statewide Online Education Program!

Utah students in grades 9-12 may enroll in individual online courses on a part-time basis through Weber Online or Utah's statewide public education online program.

Weber Online also offers full time enrollment for those students wishing to enroll full time in an online program. We realize that a growing number of students desire the freedom to work on many school credits in a different atmosphere than the regular school setting. Weber Online and SPEOP gives you the opportunity to pick the setting you desire to work on courses at your convenience outside of the traditional school setting.

Students can find more information regarding online classes On the Weber School District website. Please go to [www.wsd.net](http://www.wsd.net). Click on the "Parents & Students" tab and select "Weber Online."

**To Enroll for Weber Online classes, you must see your counselor.**

**The information published in this catalog is as current and as accurate as possible.**

**Classes are held based upon student interest and enrollment; therefore, classes may be cancelled due to lack of interest.**

**Fees are subject to change based on Weber School District board approval.**
