READING ROYALS!

ESports

Friday November 12th the Roy High School Esports team was able to participate in Ken Garff's Esports Fall Festival. This is the first year that Ken Garff has hosted this event, and they had over 700 students from 20 school districts in Utah meet together virtually to play competitive video games. We had two teams from Roy that competed in the game Super Smash Brothers Ultimate on the Nintendo Switch. Scoring and placement has not been announced yet, but we had a great time playing games together and watching the commentated broadcast of the event done by The League Esports. We will be joining Ken Garff again this spring for their Spring Festival, and are excited to help grow the esports scene in Utah high schools. Our esports club meets Tuesdays and Thursdays at 2:30pm in room 201 to play Super Smash Brothers Ultimate, League of Legends, and Rocket League.

History

In our 3rd Annual Virtual History Tour, history students used Google Earth to create detailed tours of major events. This year's tours included the events of Selma, the locations in Homer's Odyssey, Concentration Camps of World War II, Alexander the Great's Campaign into Persia, and many other awesome topics. These projects can also be used by students and teachers to better illustrate some of history's epic events. Coronation ceremony to celebrate winners: 1st place, Lillian Silva; 2nd place, Paige Boatright; 3rd place, Claire Hill; Runners Ups: Will Van Wagoner, Hannah Wayment, Cohen James, and John LeBaron.
