Royal Cheer

Royal Cheer competed at the USA Regional competition at Cottonwood High! They were able to qualify for Nationals that will take place in Anaheim in February.

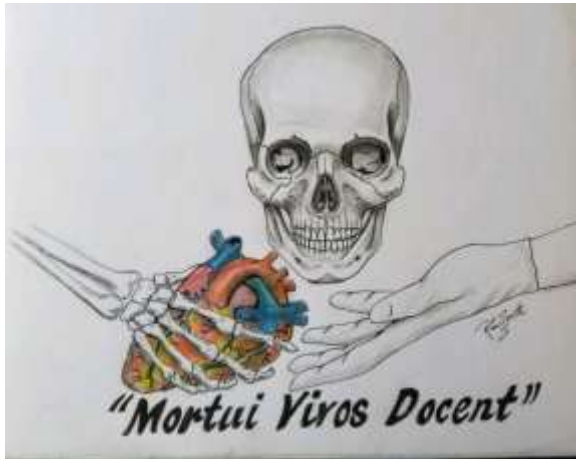

SERVICE ROCKS!

The Introduction to Behavioral Health class has Wellness Fridays where we participate in various Wellness promoting activities. The past 2 weeks we were able to complete 9 Fleece blankets for the refugees coming to Utah!

Service Rocks!

HEALTH SCIENCE FIELDTRIP

Our amazing teacher Brenda Cook has been taking students to the USU Cadaver lab for over 15 years. Students learn from the great Dr. Andy Anderson who has been at Utah State for over 30 years and counting.

He believes that real Cadavers teach students the best over other plastic models and spends a great deal of his time giving tours to high school students encouraging them towards the medical field. The field trip was a great success.

The picture was done by a local artist and bus driver, Richard Smith.
