HOSA: State Awards & Pictures. I just wanted to take a minute and congratulate the following students who have great teachers here in our great community of Roy. Thank you, teachers, for helping our students succeed. We made history placing first in both Vet Science, Nursing and top 10 in Sports Medicine for the first time. AWESOME!!

All first-place winners receive a \$800.00 stipend towards nationals. We had nine students qualify for Nationals in Nashville Tennessee in June. Happy to say that this was the first year Roy Jr. High has jumped on board for HOSA state competitions and they also had four students who placed. Please congratulate these students...most of them are your future health care professionals. You may meet one in your future!! Thank you all so much!
