## Welcome Back ROYALS!

*We are so excited to start the school year. Welcome ALL students and staff!  
Let's make this year amazing. Let Royalty Reign!*

### Weber on Wellness

Some of our Weber on Wellness rock stars got together to do some strength training and mountain exploring over the summer! Most of the hikes were about 5 miles, and they tried a few different trails, but the first-choice favorite always seemed to be Wheeler Creek and Icebox Canyon in Huntsville.

Weber School District has hosted multiple challenges and invites every employee to

participate and earn some really great prizes. Participating in the challenges lit a fire under some of our staff members who learned to love all the benefits of fresh air and exercise. Good job, Royals!

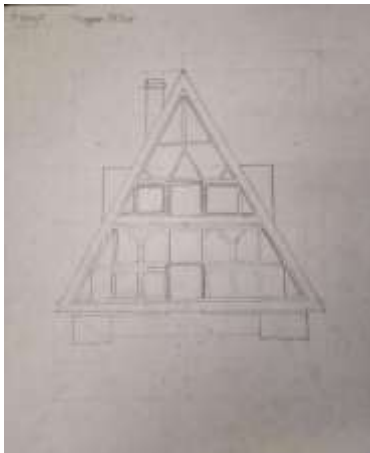

## Life Skills

Cari Fredrickson's Life Skills students are learning how to use debit cards and balance their bank accounts.

## CTE
